despite watches does walking years indoors radio
okay special starts artists advises indoor radio
angry right usually aside uses needed tracks
pretends stares argue analyzing broken girl old niggas great
man party calmly dude just continues says hear
mixtape playing buying uh word words wants listen stop say
patiently niggas mirror important son racist hug signs benefit past
woman slide people calling person tells sure surprised money
airport sees white stack black guard casually walks hit store
big puts dave boy pulled interested paper van
greets bad hands swift promoters shrugs price thousand men
yells kind carrying car connections know yo alfred
taken long awkwardly invited yo alfred
martin pull lot earn fridge works going knew skits
real instead dollars secret taunts caught talking
time ruining door year asks coolly use loretta walk want dj
hey leave knows pretending need convenience cut yes
attention speaking shakes event bro fix dream aback traveler
