

alfred man boy lot parking dave outdoor station

friend great knows going leave special want carrying risk
time dollars bro black mirror vansigns
okay promoters says nigga does caught uh hands traveler word money price
use watches dream party goodbye niggas hey door loretta airport
taking obviously guard books playing yes convenience
cut need store instead costs analyzing pretending
thinks hug puts slide stop steps interested greets walk
getting event pulled taste attention swiff broken starts awkwardly asking dj
indoor surprised tries walking advises people uses
kind long martin finish ask paper old dude aback fix hear
works calmly past patiently building aside thousand say earn
important words saying walks hit calling big means random
recounts song usually outdoors girl dudes intense years
mixtape speaking woman briefly waits connections right despite pretends
person wants yells racist artists knowingly continues
waves skits sees taunts car charges station buying taken
just talking pull know somebody casually ruining real
tracks compensation share language coolly invited bad eventually
